	DATE	EXMR
I searched the entire class of 345/759, and found this patent. I found the independent claims but	7/12/2004	ORM
.... had to find a second reference to 3 dependent claims, for wireless devices. I search for network with wireless devices...	7/12/2004	ORM
... that also send back a found packets and display something on the screen.	7/12/2004	ORM
